All Independent Directors are aware and further updated about their roles, rights, responsibilities in the Company. The appointment letter issued to Independent Directors inter alia sets out the expectation of the Board from the appointed director, their fiduciary duties and the accompanying liabilities that come with the appointment as a director of the Company.

Independent Directors are provided with necessary documents/brochures, reports and internal policies to enable them to familiarize with the Company's procedures and practices.

In addition, presentations are made at the Board and Committee Meetings on the performance of the company along with subsidiaries and quarterly updates on relevant statutory changes.

Each director of the Company has complete access to any information relating to the Company. Independent Directors have the freedom to interact with the Company's management. They are given all the documents sought by them for enabling a good understanding of the Company and its various operations. Further, they meet without the presence of the Company's Management Personnel to discuss matters pertaining to the Company's affairs and put forth their combined views to the Chairman and Managing Director.

Site visits to various plant locations are organized for the Directors to enable them to understand the operations of the Company.
